

# WINNING SPORTS EQUIPMENT

**SPORTSYSTEMS**  
CANADA

## INDOOR—SPORTS EQUIPMENT

### Do you have an important project?

Let the leader in athletic facility equipment & installation guide you. SSC responds to your needs by offering the complete package from **concept to completion**: design & budgetary assistance followed through with an exceptional installation.

Contact us when your next project is on the drawing board and you'll be **Building a Better Game.**

## SPORTS EQUIPMENT—**OUTDOOR**

### **Great companies are built from the ground up**

Since 1978, architects, contractors, school boards and parks & recreation departments alike have relied on our ***triple play of value***: superior product knowledge, quality merchandise & outstanding customer service.

SSC manufactures and represents a full range of indoor & outdoor athletic equipment. We deliver results by working closely with designers, facility operators and end users to develop ***purpose built installations***.

## The right call: all the time every time

Our clients benefit first hand from our 30 years in the athletic equipment market and leverage our experience when merely replacing parts or embarking upon the construction of an entirely new facility. SSC will ensure your expectations are exceeded as we bring **know how** and the **industry's most trusted brands** to the table.

## Building a Better Game
